

# TATA CONSULTANCY SERVICES (TCS)

## Offer Letter

<b>Candidate Name:</b>	Rahul Sharma
<b>Position:</b>	Software Engineer
<b>Department:</b>	Digital Engineering
<b>Location:</b>	Hyderabad, India
<b>Employment Type:</b>	Full-Time
<b>Date of Joining:</b>	01 June 2026
<b>Annual CTC:</b>	■8,50,000 per annum

Dear Rahul Sharma,

We are pleased to offer you the position of **Software Engineer** at Tata Consultancy Services (TCS). Your skills, technical background, and interview performance impressed our hiring panel, and we believe you will be a valuable addition to our engineering team.

Your employment will commence on **01 June 2026** at our Hyderabad office. Your annual Cost to Company (CTC) will be **■8,50,000**, inclusive of all benefits and allowances as per company policy.

You will be expected to work on enterprise-scale applications, modern cloud infrastructure, scalable APIs, and digital transformation projects for global clients. This role requires strong collaboration, professional conduct, and adherence to company policies and security standards.

Please confirm your acceptance of this offer by signing and returning this letter within 7 business days.

We look forward to having you onboard and building impactful technology solutions together.

Sincerely,

**HR Department**

Tata Consultancy Services (TCS)
