

INFOSYS LIMITED

Offer Letter

Candidate Name:	Aman Verma
Position:	Systems Engineer
Department:	Cloud & Digital Services
Location:	Bengaluru, India
Employment Type:	Full-Time
Date of Joining:	15 June 2026
Annual CTC:	■7,20,000 per annum

Dear Aman Verma,

We are delighted to offer you the role of **Systems Engineer** at Infosys Limited. Your technical expertise, communication skills, and performance throughout the recruitment process have demonstrated strong potential to contribute effectively to our organization.

Your employment with Infosys will commence on **15 June 2026** at our Bengaluru campus. Your annual Cost to Company (CTC) will be **■7,20,000**, inclusive of all applicable benefits, allowances, and performance-linked incentives according to company policies.

As part of our engineering team, you will work on enterprise software solutions, cloud-native applications, API integrations, AI-driven platforms, and digital transformation initiatives for global clients across industries.

You are expected to maintain professional ethics, comply with organizational policies, and uphold confidentiality standards related to client and company information.

Please confirm your acceptance of this offer by signing and returning this letter within 7 business days from the date of issue.

We are excited about the possibility of you joining Infosys and contributing to our innovation-driven

culture.

Sincerely,

Human Resources Department

Infosys Limited
